WALKER ANNOUNCES HIRING OF NEW BUDGET DIRECTOR

MILWAUKEE – County Executive Scott Walker today announces that Cynthia Archer has been hired to serve as the new Fiscal and Budget Director for Milwaukee County. Archer will replace Steve Agostini who is leaving to take a job with the Federal Government in Washington, DC.

Archer most recently served as the Director of Administration for Brown County and has also served as a Division Administrator for the Wisconsin Department of Corrections and as Executive Policy and Budget Manager for the Wisconsin Department of Administration.

“We are very pleased that Ms. Archer has accepted our offer to be the new budget director for Milwaukee County,” said Walker. “She is clearly the best candidate for the position and brings a valuable knowledge base and firm understanding of how a county government operates.”

Archer will begin her new job in December.
